

Eccentric and Animal Fun Shoot 2025

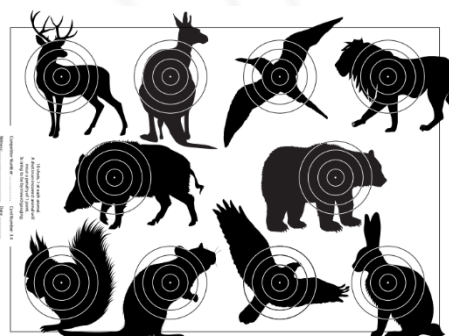

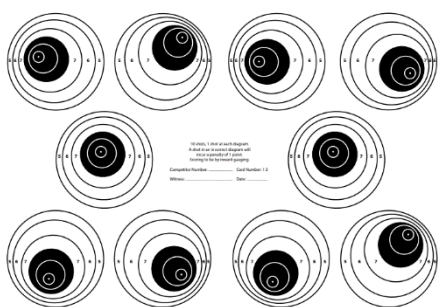

Prone – Benchrest - LSR

Alton Rifle Club runs an annual shortrange fun shoot intended to be shot in the usual lull between the summer and winter postal leagues. It was established in 1982 as a modest fund raiser towards our new club building at that time. We have now decided to go National for the first time to help fund the development of a 50m outdoor facility. It is a light-hearted variation on your regular shooting for .22" Rimfire in the following disciplines:

- 25 yd Prone
- 25 yd Benchrest (Anysights)
- 20 yd Light Sporting Rifle

The fun shoot consists of four cards using two target patterns, **eccentric circles** and **animals**.

The targets are the same size as standard 10 bull 25yd prone cards, so they will fit normal card hangers and the images have been positioned so most accurate shots will fall in the "normal" 10 black target areas so should not cause damage to the hangers or butts.

The cards can be shot in any order you wish and do not have to all be shot on the same day.

New for 2025, we will be organising the shoot using [Rifle & Pistol Target Leagues](http://rifleleagues.co.uk) (rifleleagues.co.uk) which many of you will be familiar with from its usage by the NSRA and other County Associations. Entry to the competition will be through Rifle Leagues and we will employ local scoring to reduce postage costs.

The entry fee is £7.50 per competitor and payment details will be emailed to you from Rifle Leagues once you have submitted your entries. We shall be grateful if you could also confirm your entry and payment by email to funshoot@altonrifleclub.com and we will of course observe GDPR and Data Protection but may use the address you contact us from for blind copied competition updates.

With regret we are currently unable to accommodate 15 or 20 yd prone/bench ranges nor are there any air rifle classes. The averages for the classes are shown below and are to be based upon final average of the winter 2024/25 competitions.

.22" Rimfire	Class A	Class B	Class C
Prone	97+	92-96	91 and below
Benchrest (AnySights)	97+	92-96	91 and below
LSR	Single Class – All Entries		

Local scoring will apply and we will recall the cards of the top five shooters in each class to confirm scoring before finalizing the results. Whilst a fun shoot, we reserve the right for any shot cards to be called in for audit in the unlikely event of any challenges or concerns. Competitors do not need to sign their cards but they should be witnessed and dated in the normal manner immediately after they are shot.

Inward scoring is applicable to the entire competition and we will provide some scoring guidance and rules via our website. <https://www.altonrifleclub.co.uk/funshoot/>

Competition Timetable is as follows:

May/June:	Publicity in the Summer Edition of On Target & Social Media
1st July:	Entries open
31st August:	Entries close
15th September:	Stickers and cards are posted
31st October:	Last day for shooting and entering scores
~14th November:	Results are finalised and displayed on Rifle Leagues

PRIZES:

New for 2025, the winner of each class will receive a medal to keep rather than returning the trophy. An engraved shield will be added to the trophy for each class and a photograph provided.

The winner in each class shall be the competitor with the highest aggregate score across all 4 cards out of a possible 400 using Xs as a tiebreaker if required.

A [Roll of Honour](#) of previous winners can be found on our website.

If you would like to find out more about this competition, please contact the organiser, Tim Stokes on funshoot@altonrifleclub.com and we will get back to you.

Thanks and Enjoy!
